Dear Mr. Pedigo,

I am writing on behalf of C5 to thank you for your kind participation in this successful conference. As was no doubt evident to you at the conference, the programme was well received by the delegates and we fully appreciate the time that is required for you to prepare for these events.

I think you will be pleased to learn how well the proceedings were scored by the delegates. Of the delegates attending, 62% completed the evaluation forms. This is more than sufficient, in our experience, to draw accurate conclusions with respect to the overall performance of a programme. Of the delegates completing evaluations 33% rated the conference as excellent, 67% as good and no one rated the conference as fair or poor.

With regard to your presentation I think you will be pleased to learn that you received particularly favourable scores from participants. On a four scale with one representing excellent, two good, three fair and four poor, you received from delegates 1.9 for the content and 1.8 for your presentation.

Please do not hesitate to contact me should you have any queries regarding the conference or any of our future events.

It has been a pleasure working with you and we hope to work with you again in the near future.

With many thanks and kind regards

Khatuna Kopaliani
